6 STEPS TO MINDFULLY DEAL WITH DIFFICULT EMOTIONS

1

Turn toward your emotions with **acceptance**

Become aware of the emotion and identify where you sense it in your body.

Identify and label the emotion

To stay mindful, say to yourself, "This is anger" or "This is anxiety."

2

3

Accept your emotions

Don't deny the emotion. Acknowledge and accept that it is there.

Realize the **impermanence** of your emotions

Even if the emotion feels overwhelming, remember that it will pass.

4

5

Inquire and investigate

Ask yourself, "What triggered me? Why do I feel this way?"

Let go of the need to control your emotions

Be open to the outcome of your emotions and what unfolds.
